#### GivePlus+ Mobile App

Go to the App Store or Google Play and search "give plus church" to download

GivePlus+ mobile app is an easy and secure way for you to set up and manage your giving all from your mobile device. This functions the same as automated giving but by using the mobile app you have complete control over how much and how frequently you make your contributions and it can be updated at any time. The included video shows just how easy and convenient this is.

PLEASE NOTE: If you are currently set up with automated giving and would like to manage your account through the mobile app it can be done. In order to connect accounts we need to know the specific email address you used to set up your mobile account. You can either call the church office at 847-741-7788 or send that information to Kathy Hamilton @ [kathyhamilton60124@gmail.com](mailto:kathyhamilton60124@gmail.com).

### 3. Bill Payment Services

Most banks and credit unions offer some type of bill payment service to their customers. Using your bank's bill payment service you can designate Good Shepherd Lutheran Church as one of your monthly payments. All you will need is the church's name and address to set this up. You determine the amount and the frequency of payment will be determined by what your financial institution allows. Since the church does not give out our account information this will result in a physical check being issued by the bank and sent directly to the church.
